

Health and Safety Policy

'The aim of our Health and Safety policy is to ensure that wherever we operate, our work is carried out in a manner which ensures the Health, Safety and well-being of ourselves, our contractors, our customers and the public in general'

- to provide adequate control of the health and safety risks arising from the work we are employed for
- to consult with our appointed service providers and customers on matters affecting their health and safety
- to provide and maintain safe equipment
- to ensure safe handling and use of substances
- to provide information and instruction to our appointed service providers with regards to the work they are employed to carry out on our behalf
- to ensure all contracted staff are competent to do their tasks and are given adequate training where necessary
- to prevent accidents and cases of work-related ill health
- to maintain safe and healthy working conditions; and
- to review and revise this policy as necessary at regular intervals
